

School Holiday Camps

Delivered since the opening of the sports centre, the School Holiday Camps have proved to be a popular option for young people planning their breaks.

Available to 8 to 14 year olds the days are designed to cater for those of varied interests.

The centre's sporting nature enables the freedom to participate in favoured sports as well as try new activities.

For the school break the Jack Russell Lounge is transformed into the entertainment room, with the Xbox 360 and Nintendo Wii consoles offered, accompanied by two pool tables, air hockey table and table football.

For those less sport and actively inclined the scheme also provides board games, giant jenga, arts and crafts, and the ability to role and imaginary play with the items in the sports hall and dance studio.

The emphasis is very much on freedom to enjoy their break from school, we offer free play for the first session, an opportunity to inter-change between all activities offered. After a mid-morning break we play games as a group for prizes, lunch is followed by a free play swim in our pool and to finish the day we have a mix of free and structured play.

The centre guarantees places with staff employed to cater for the 1 staff member to 10 children ratio.

Competitively priced at £18.00 per person per day, we can offer a day's activities to entertain those attending in a safe, secure and positive environment.

- Delivered in the October, February, Easter, May and Summer Holidays.
- Starting at 9.00am and finishing at 5.30pm daily
- £18.00 per child per day
