

Coronavirus (COVID-19) Risk Assessment

This RA has been prepared taking into account the following guidance

1. Based on SLT vision on how the school will operate
2. Schools coronavirus operational guidance

Assessment date: 30/06/21

Review date: 16/07/21

Author: Kay Young

Hazard	Control measures	Persons at risk
1. Exposure from others due to: i) Living with someone with a confirmed case of COVID-19. ii) Have come into close contact with a confirmed case of COVID-19. (see definition of close contact, section 8 Guidance for full reopening) iii) Being advised by a public health agency that contact with a diagnosed case has occurred. iv) Adhoc contact with contaminated items / surfaces	<ol style="list-style-type: none"> 1. Parents, students and staff to be reminded on a periodic basis not to attend school should they show any of the signs of the infection as defined by PHE in their guidance such as a temperature/persistent dry cough or loss of taste and smell. In addition, should they live with someone who is suspected of or confirmed as having Covid 19 they must follow up to date government advice. 2. Advise parents, students and staff to avoid car sharing with people not from their household or support bubble. Please follow the published advice with regards to car sharing. 3. Advise parents, students and staff they may use public transport where necessary, but encourage them to walk, cycle or scoot to and from school as the preferred means of travel. Families using public transport should refer to the safer travel guidance for passengers. https://www.gov.uk/guidance/coronavirus-covid-19-safer-travel-guidance-for-passengers 4. Process to be put in place for the public to drop parcels at the very front of the school building to avoid unnecessary contact. 	Staff, Students, Parents and school visitors

Hazard	Control measures	Persons at risk
	<ol style="list-style-type: none"> 5. Parents to be advised only to come into school (eg Reception) if absolutely essential. Guidance will be provided on Covid protocols they need to follow should they need to attend a meeting. All visitors to the school will be required to wear a mask inside the school buildings. 6. Ensure hand washing facilities are suitably stocked. 7. Provide hand sanitising stations at key points throughout the school – staff/students to sanitise their hands before entering buildings and classrooms. Use of hand sanitiser should be monitored by the teacher in the room. 8. Provide hand sanitiser, tissues, lidded bins and detergent for classrooms for staff/students to use throughout the day. To promote the ‘catch it, bin it, kill it’ approach. 9. Staff and students to be advised of best hygiene practices – See section 11 for further detail. 10. Staff and students to be advised of changes to school operating procedures. 11. Provide protective screens for staff, where there is a higher risk (unknown visitors or frequency of visitors or staff). 12. All rooms used to be sanitised at the end of the working day – classrooms / washrooms / offices – cleaning staff to follow Covid-19: cleaning in non-healthcare settings guidance. 13. Clean surfaces that children and young people are touching, such as books, desks, chairs, doors, sinks, toilets, light switches, bannisters, more regularly than normal. 14. Where acceptable, ventilation should be maintained in any rooms being used, windows and doors should be opened sufficiently to provide a flow of air 15. Appropriate signage placed around the school, site team to check these regularly. 16. Covid-19 alert messages on desktop screens and video screens around the school. 17. The Sports centre will re-open to the public in line with government guidance 18. Domestic educational visits can resume, all visits need to complete additional Covid-risk assessment. 19. Face masks to be worn in indoor communal areas by staff where social distancing is not possible. - 	
<p>2. Working within close proximity of others in classrooms / Lessons / offices</p>	<ol style="list-style-type: none"> 1. Staff should stay at the front of the classroom and where possible maintain a 2 metre distance from students and each other. 2. Students need to be reminded to maintain distance and to not touch staff or their peers. 3. In each room, students should be sat side by side and facing forward rather than face to face. 4. Students to be taught in their year group bubbles only and where a room is shared during the day, surfaces such as, desk and chairs will be wiped before a new bubble uses the room. 5. Students and staff should have their own items of frequently used equipment. Where equipment is shared it should be frequently cleaned and always between bubbles. If this is 	<p>Staff and Students</p>

Hazard	Control measures	Persons at risk
	<p>not possible then it should be left unused for a period of 48 hours.</p> <ol style="list-style-type: none"> 6. Staff and students should limit the movement around the classroom. 7. Staff to be reminded that there should be no close contact with students. 8. Practical subjects should frequently clean equipment and always clean between bubbles, if this is not possible then it should be left unused for a period of 48 hours (72 hours for plastics). 9. Staff to avoid the use of shared items and to ensure that where this happens that items are sanitised before and after use. 10. Outdoor sports should be prioritised, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene 11. Face to face meetings with the public, including outside agencies, parents and carers may take place if it is deemed more appropriate than a remote meeting; all protocols for visitors need to be followed. 	
3. Use of Changing facilities / showers	<ol style="list-style-type: none"> 1. Manage access and egress the facilities to reduce congestion and contact at all times. 2. Limit the number of users and ensure that there are allocated changing points to maintain social distancing to the minimum level. 3. Introduce enhanced cleaning of all facilities throughout the day and at the end of each day. 	Staff and Students
4. Exposure from Access / egress to site / Movement around site	<ol style="list-style-type: none"> 1. School start time to be staggered between students in different year groups. This will reduce students and vehicle movements arriving at the school. Potential issue is where students make use of public / school provided transport. 2. Parents and students to be reminded that students should follow social distancing rules at all times on their journey to and from school. They should not congregate in large groups. 3. Staff to be on duty at the start and end of the day and at breaktime and lunchtime to ensure social distancing. 4. Break time to be staggered to minimise use of corridors and outdoor spaces. 5. Staff to manage site access points to ensure social distancing. 6. One-way systems, to be introduced into areas that are being used in buildings and reminders on social distancing to be in place. 7. Students should go directly to lessons and tutor bases to minimise numbers in corridors. 8. Regular cleaning of contact surfaces in reception, offices, delivery areas etc and items shared items such as scanners, screens, telephone handsets, desks. Clean surfaces that are touched, such as, desks, chairs, doors, sinks, toilets, light switches, bannisters regularly. 9. Staggered breaks and lunches will be used to manage students' washroom access to limit people using to ensure that some control of social distancing is provided, groups to be allocated staggered break to reduce number using facilities. 10. Fire doors may be propped open during the school day and will be closed at the end of the day. Staff using rooms will be responsible for closing fire door on evacuation if the alarm 	Staff and Students

Hazard	Control measures	Persons at risk
	<p>sounds.</p> <ol style="list-style-type: none"> 11. Where possible to implement, floor markings to support social distancing will be put in place. 12. Staff and students to be directed to follow the DfE guidance on the safe wearing and removal of face masks (unless medically exempt). 	
5. Emergency Procedures Unclear	<ol style="list-style-type: none"> 1. Registers to be taken at the start of the day and each lesson. 2. Emergency procedures to be tested on a regular basis. 3. All staff to sign-out if they leave the site during the day and a copy to be take out by the admin staff to the assembly point. 4. Revised evacuation procedures to ensure social distancing to be communicated to staff and students. Namely <ol style="list-style-type: none"> a) Assembly point for KS5 the smaller tennis courts, the lower basketball area for KS3 and the larger tennis courts for KS4. Staff to rotate to help maintain social distancing. b) Registers to be taken by staff and classes to line up in their tutor groups c) Available site staff and SLT if needed shall sweep all buildings and site staff will check location of activation (as now) d) Reoccupation process as now 5. TOD to manage the alarm panel 	Staff and Students
6. Dangers from Covid 19 – Vulnerable Groups (use government guidance for definition)	<ol style="list-style-type: none"> 1. Staff who are over 60, pregnant or clinically vulnerable must follow the systems of control in place to minimise risk of transmission and follow up to date DfE advice. 2. Students that are clinically vulnerable must follow the systems of control in place to minimise risk of transmission and follow up to date DfE advice. 3. Any students attending school with a medical care plan in place to have their plan reviewed by the SEND team and in consultation with parents/carers. This then to be communicated. 4. School to ensure extremely clinically persons should follow the most up to date guidance from the DfE in discussion with their line-manager. 	Staff and Students
7. Use of potentially contaminated room / area / equipment	<ol style="list-style-type: none"> 1. Shared Staff Offices must only be used on an individual basis to retrieve items and not as a workstation unless 2m social distancing can be maintained at all times. The school will look for staff to be moved to safer, more spacious areas. 2. Staff not timetabled but in school, will be able to use an unallocated IT room to ensure that social distancing can be maintained. 3. The use of staffrooms should be minimised. 4. Where staff use an office phone / photocopier / equipment, the contact surfaces must be sanitised before and after use using the wipes / cloths and sanitiser provided 5. Where possible staff should ventilate the areas. 	Staff and Students

Hazard	Control measures	Persons at risk
	<ol style="list-style-type: none"> 6. All rooms in use must be cleared of any non-essential items from flat surfaces to ensure that thorough cleaning can take place (where possible items should be in cupboard, if not possible then boxes will be provided for this purpose). 	
8. First Aid Provision	<ol style="list-style-type: none"> 1. First aid provision must be maintained at all times. 2. Students / staff requiring medical support will be initially assessed to quickly determine whether Covid 19 is suspected. Those needing support must contact student services/reception immediately so that an initial assessment can be made. Where Covid 19 is suspected, the individual will be in the small meeting room, P1 or P2. These areas will be thoroughly cleaned once the individual has left. If students require the toilet there will be a dedicated toilet available and this will be thoroughly cleaned following Covid 19 protocols. 3. The full information provided by PHE on the handling of cases in Educational establishments will be available and provided for first aiders to follow. 4. Where routine medical support is needed, student services/reception will be used. 5. First aid staff will be provided with PPE as required to include aprons, gloves, masks, glasses and sanitising solutions. A screen may also be provided for additional protection. Waste facilities will also be emptied at least daily. 	Staff and Students
9. Exposure from large numbers of persons in one area	<ol style="list-style-type: none"> 1. To avoid groups of staff and students, the following restrictions will be implemented: 2. Gatherings of more than one-year group will not be allowed. 3. Any gatherings of all staff must be essential and shall be undertaken either outside or in an area where there is a physical layout supporting a minimum of 2 m separation or via video conferencing. Access and egress will be positively managed. 4. Break times will be staggered, students will have a designated area supported by staff. 5. Areas will be actively supervised to ensure social distancing 6. 6th Form Common Room to be extended to use the C block rooms to maximise space. 7. Library to only be used by pre-booked classes during lesson time and allocated groups during lunchtime. Students will need to book library to use after school, areas will be zoned. 8. Canteen Dining area to be zones so that two bubbles can use at one time but social distancing is maintained. Exit and entrance points for each year group clearly identified. 9. Open days, parents' evenings and other events will be risk assessed on an individual basis and some events will be held on a virtual platform. 10. Staff and students directed to follow the DfE guidance on the safe wearing and removal of face masks (unless medically exempt). 	Staff and Students
10. Food provision	<ol style="list-style-type: none"> 1. Students have an allocate slot to access the canteen. Students will only be able to access from certain areas. Hands should be sanitised before entry to the canteen area. 2. Students will have a designated area supported by a duty member. If wet, one bubble will 	Staff and Students

Hazard	Control measures	Persons at risk
	<p>remain in the hall and the other will be directed to the covered area outside f-block</p> <ol style="list-style-type: none"> 3. Students should bring their own drink to school. Water stations will be available but only to re-fill bottles and should only be used if essential. 4. Staff / students should ensure social distancing whilst eating and avoid all contact. 5. Tables will be cleaned after each use – inside and outside . 	
11. Poor hygiene	<p>To ensure as far as possible a safe environment, the school will:</p> <ol style="list-style-type: none"> 1. Remind all to wash hands thoroughly and regularly. Use soap and water for at least 20 seconds. Use alcohol-based hand sanitiser, if soap and water is not available and hand washing technique to be adopted as directed by NHS 2. Remind all to avoid touching face/eyes/nose/mouth with unwashed hands and cover your cough or sneeze with a tissue then throw it in the bin. 3. Regularly clean the hand washing facilities and check soap and sanitiser levels 4. Provide suitable and sufficient bins with a pedal and lid for tissues only in classrooms, with regular removal and disposal. 5. Ensure sufficient supplies of soap, hand sanitiser, paper towels and tissues 6. Restrict the number of people using toilet facilities at any one time e.g. by staggering break and lunch. Wash hands before and after using the facilities. Enhance the cleaning regimes for toilet facilities particularly door handles, locks and the toilet flush. 	Staff and Students
12. Working in local vicinity to site staff and site contractors (maintaining social distancing)	<ol style="list-style-type: none"> 1. All contractors will receive information to confirm the need for social distancing as well as the schools standard methods of working. 2. All contractor areas will be segregated from staff and students. 3. All staff to adhere to any signage preventing access to work areas. 4. Workers who are unwell will be asked to leave site. 5. Tasks are to be rearranged to enable them to be done by one person or as small number of persons without compromising safety measures. 6. Maintain social distancing measures from each other as much as possible with supervision in place to monitor compliance. 7. Always consider if the task can be performed differently without having to breach social distancing rules. 8. Workers are to limit face to face working and work facing away from each other when possible. Where worker do need to work in close proximity it is advised that face masks and other protective equipment be worn as required 9. Limit the frequency of working within 2m to an absolute minimum and ensure it is for strictly low intensity, sporadic work where exposure to this distance is less than 15 minutes. 10. All equipment to be thoroughly cleaned prior and after using it. 11. Increased ventilation will be provided within enclosed spaces. 	Contractors, Staff and Students

Hazard	Control measures	Persons at risk
	12. Consider alternative or additional mechanical aids to reduce worker interface. 13. Hygiene measures and cleaning schedules to be in place (regularly washing hands for at least 20 seconds with soap and warm water). 14. All work areas to be fully sanitised after use and completion of the works prior to reoccupation by the school. 15. Any health concern to be raised immediately with the school Site Manager.	
13. Cleaning	1. On a daily basis, all areas used will be thoroughly cleaned with detergent. 2. The safety of the cleaning team is important and as such all staff will: <ol style="list-style-type: none"> a) Wear gloves when cleaning b) Ventilate rooms / areas c) Dispose of all waste safely 3. All rooms that are in use will be cleared of surplus items on flat surfaces to ensure thorough cleaning is possible. 4. Any issues to be reported to the Site Manager. 5. Should a case of Covid 19 be confirmed/suspected in school. The guidance provided by PHE Covid 19: Cleaning in non-Healthcare Settings will be strictly followed.	Staff and Students
14. Poor mental health	1. SLT to remind line managers to consider the wellbeing and mental health of staff (particularly at this time) and to ensure that factors such as workload, pressures of personal life and arrangements, effect of the current situation are considered in supporting their teams and to discuss any support that may be required with the individual and to seek further support if necessary. 2. Line-managers to check the welfare of all staff on a regular basis. 3. Staff to be made aware of Occupational Health resources to help school staff cope with the pressures of the current Coronavirus outbreak. These are available on Schoolsnet. 4. Staff to consider the wellbeing and mental health of students (particularly at this time) and to ensure that factors such as pressure of schoolwork and pressures of personal life are taken into account. Staff to be able to signpost students to appropriate help.	Staff and Students
15. Rapid testing in school	Risks for rapid testing in school will be covered in a separate risk assessment.	

Management

- Please ensure all staff are aware of reporting requirements and that all issues / confirmed cases are escalated to the Headteacher/Business Manager
- Detailed protocols will be available and shared with all stakeholders and any updates communicated in a timely manner to all..

- Staff/students/parents to be fully briefed on new routines and to support students with their understanding
- This must include letting staff know about symptoms and actions the medical professionals are advising people to take.
- Risk assessment to be reviewed initially on a fortnightly basis.
- Please remind staff that in order to minimise the risk of spread of infection, we rely on everyone in the school taking responsibility for their actions and behaviour.
