

Kick-It Football

Delivered since 2001, the Kick-It football session is a well established term time activity for players of all abilities.

Spread over three days, the sessions cater for children aged between 4 and 14 years.

With the emphasis on all inclusive, the three sessions take a similar structure, aiming to build confidence and educate young people into the nations favourite sport.

The Thursday session is available for 4 to 7 year olds, with half the session dedicated to skill/technique building games and activities and the remainder a round-robin term long competition with teams obtaining points on their quest to become the Kick-it champions.

The two other sessions, Friday for 8-11 year olds and the Wednesday session for school years 7-9, aim to provide an opportunity to learn the game, develop skills, cater for their footballing appetite and provide rewards for their performance, again playing as a team in a term long round-robin structure.

Priced at £2.50 per child per session, without obligation to book, you can turn up to play and enjoy your thirst for football being quenched.

A fun, friendly atmosphere greets you and helps aid your development.
