

Archway

Archway School Provider Access Policy

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for giving them information about the provider's education or training offer.

This complies with the school's legal obligations under Section 42A of the Education Act 1997 as amended by the Technical and further Education Act 2017.

All students in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships - through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Several events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers.

A provider wishing to request access should contact Jayne Thorley, Headteacher's PA.
