

Uniform

The purpose of our uniform is to contribute to the business-like atmosphere of the school and create a sense of school identity. Staff will check at the start of each lesson/session that students are presenting themselves appropriately for school and in accordance with the uniform list.

Students are expected to wear school uniform throughout the school day, en route to and from school and on school trips unless advised otherwise by staff. Please provide a note to explain any temporary reason for a student being out of uniform. Students out of uniform will be treated in accordance with BfL measures and will be provided with shoes, skirts, trousers, and/or pullovers by Student Services for the day.
