

Dear Parents/Carers,

## A new way to record, track and monitor homework at Archway School

We are excited to be launching Show My Homework in September 2016; this is an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set, as well as their submission status.

You will be provided with login details to your personal account, ready-linked to your child's homework calendar. These logins will be sent out 3 weeks after the launch in September, but don't worry, you will still be able to view all homework.

To view all homework set without login details please visit <http://www.archwayschool.net/> and click on the link for Show My Homework on our homepage.

You will also be able to login by following this link and clicking the top right 'Login' button.
