

Extended Project Qualification

Course Overview

Archway Sixth Form offers all year 13 students the opportunity to complete the Extended Project Qualification.

It's an exciting qualification that puts students in control, enabling them to explore something of real interest. The Extended Project Qualification is equivalent to half an A level. This also earns UCAS points and teaches skills that are valued by universities and employers.

We offer 2 types of Project to pick from:

- A dissertation
- An artefact (like a sculpture, model or DVD)

What do I need to join?

Students need to have the school's general Sixth Form entry requirements and be studying at Archway Sixth Form.

Staff contact:

Mrs Emily Fowler

Mrs Kay Young

How will I be assessed?

The Extended Project has no exams, just coursework and suits students that are self-motivated and enjoy working independently.

Where could this qualification take me in the future?

You will learn essential transferable skills, it will help to boost your UCAS points and provide evidence of in-depth independent study.

The Extended Project Qualification is being increasingly used by universities as the basis for interview discussion.
