Dear Parent/Carer,

Community Food Hub

You may like to know about The Long Table which is a community food hall supporting community food hubs and local supply chains around Gloucestershire. For more information please visit www.thelongtableonline.com. They produce a range of freshly cooked, locally and ethically sourced, healthy, seasonal meals, that are also familiar and delicious. The meals are pay as you feel but many meals are given free to people who need them.

Lockdown travel protocol

Students are reminded that when travelling to and from school by foot, they must adhere to the 'rule of 6' and they must also head straight home during this lockdown period.

Online work

If your son/daughter is isolating at home, work shall be provided through our SatchelOne website. Teachers may either upload the work in advance of a lesson or do it afterwards depending upon what is most appropriate for the subject/lesson. We strongly encourage your son/daughter to use the comment facility to communicate with teachers. Many students use this facility well, but it could be utilised more.

Isolation Rules

The school currently has some students isolating at home for a period of 14 days and the numbers isolating are typical of those across the county. We are fortunate that currently the COVID-19 virus has not yet forced us to send a whole year group home and our staffing levels are sufficient to keep all year groups in school. I would like to reiterate the importance to all families who have people isolating at home, that whilst isolating, the following must be adhered to:

How to self-isolate

You must not leave your home if you're self-isolating

- X do not go to work, school or public places – work from home if you can
- X do not go on public transport or use taxis
- X do not go out to get food and medicine – order it online or by phone, or ask someone to bring it to your home
- X do not have visitors in your home, including friends and family – except for people providing essential care
- X do not go out to exercise – exercise at home or in your garden, if you have one

Yours faithfully

Kieron Smith
